Old Business:

Homecoming dance: Observation by booster parent, that executive board needs to be better at getting together and talking with other members of the organization.

New Business:

#### Concession Stand:

In need of more parent volunteers, especially on the last home game, which will be Senior Night, and many of the parents that have been regular helpers, have seniors?

Christy Welborn asked the Boosters if it would be okay to talk with Pizza Hut about selling their pizza in the concession, instead of Mr. Jims. Everyone agreed it would be a good idea.

#### Updates:

Was asked if the web page could be updated with correct dates, times, and destinations. Some parents are needing more information.

#### Band Students with medical conditions requiring medicine:

Questions were asked about treating band students who have asthma, and other health issues we may not be aware of.

#### Band Students:

Questions were brought up over Punishment, Privileges and how we as band boosters can help the kids to pass of their music.

#### Fundraiser:

Sandy Williams brought in information on Liberty Mutual. We now have the literature and information on it, but we need to discuss with the Directors to see if we are able to do this as enterprising or if it is considered a fundraiser.

#### Director's Notes:

Mr. McClure came in for a short time to say the Boosters are doing a great job and they couldn't do it without them.

Saturday, Oct. 17 will be the UIL competition in Plano at Clark HS, itinerary will be sent out with kids sometime this week. They will perform at 4:15.
