

INSTRUMENT RENTAL FEE

Dear Parent/Guardian,

We are very glad that your child has decided to be a part of the Princeton ISD band program. As per directive of the school board, there is an instrument rental fee of \$25 per semester that your child is using a school owned instrument.

This fee applies to **school owned instruments** only, such as french horns, baritones, tubas, bass clarinets, percussion and other instruments that are owned by the school. The fee helps with the instrument upkeep and various minor repair issues that occur through normal wear and tear. Major repairs caused by negligence and/or carelessness are still the responsibility of the students' parents or guardians.

_____ has been issued the following instruments
