

## The Princeton Booster Meeting Minutes for September 11, 2007

Tamara Payne began the meeting at 7:00pm. The minutes were accepted by Rhonda Bolton with a second from Bronda Peirce. Rhonda Bolton presented by Treasurer's Report. We have \$8,065.99 total. We made \$2,631.00 in the concession stand last game.

### Old Business-

Concession Stand- We got most of the donations requested, but still need a big scooper. We will need more sno-cone syrup. Chic-fil-a didn't sell as well, so we may do all sandwiches next game. Tamara got more tattoos.

Button Maker- not clear on sales. Hope to be selling picture buttons next game.

Water Bottles- The company is not responding to Rhonda Bolton's phone calls.

Drumsticks- We have purchased 40 pairs, costing \$4 and will sell them for \$8 in the concession stand.

### New Business-

Homecoming- We still don't know anything yet, concerning the parade. Tamara is waiting on a phone call from Athletic Boosters. If we do the parade, we will need help. We have a tentative plan on hold, just in case. The Theme will be "Rock Bands of the 80's." Rhonda Bolton will do the forms and we will ask them all to be turned in by the 5<sup>th</sup>. We discussed all the necessary phone calls to make, etc. so we will handle if necessary. We also plan to have a selling station on the route to sell water, beads, buttons, etc. We will need about 3 people for this.

Camera- We are wanting to purchase the digital camera from one of the band kids. This will do the pictures for the button maker. The cost is \$20. We will ask her to bring the camera to the next game.

Water- We need to find someone else to haul the water to "away" games. Rhonda Bolton cannot afford to do it anymore. After discussion, a motion was made by Christy Welborn to pay Rhonda Bolton the gas money to haul water. A second was made by Bronda Pierce. The vote was all in favor.

#### Director's Notes-

We will not be going to Houston. The cost is too high. This competition has been replaced with another in Duncanville on November 3<sup>rd</sup>. We will probably be one of the smaller bands there.

The next game is an away game to Quinlan. We will be leaving at 5:15. There will be pizza served immediately after school. The boosters have asked for a time limit for the kids eating to pick theirs up.

A motion was made by Christy Welborn to adjourn. Bronda Pierce seconded the motion and we adjourned at 7:58pm. In attendance were Tamara Payne, Christy Welborn, Rhonda Bolton, Rhonda Welborn, Bronda Pierce, Lisa Chesley, Denise Splawn, Mary Butris, Monica Diaz, and Kathy Sanford.

The next meeting is October 9, 2007.....thanks for coming!
